Success Skills

Communication & People Skills

- Concise, clear, and efficient communication
- Worked with people my entire life.
- Understanding of needs, wants, and why.
- Allows for assistance of teammate and even client needs.

Adaptability and Teamwork (Leadership)

- Honesty – not a natural born leader.
- Will lead if necessary, and when assigned a task.
- Changes are necessary, I am up to challenge.
- Can adapt to meet needs.

Conclusion

- My focus today is to declare that I am a worthy choice and candidate for a group due to my commitment, technical skills, and even general successful life skills.
